Part of the Plan

I have these moments
All steady and strong
I'm feeling so holy and humble
The next thing I know
I'm all worried and weak
And I feel myself
Starting to crumble.

The meanings get lost
And the teachings get tossed
And you don't know what you're
Going to do next.
You wait for the sun
But it never quite comes
Some kind of message comes
Through to you
Some kind of message comes through.

And it says to you . . .

Love when you can
Cry when you have to . . .
Be who you must
That's a part of the plan
Await your arrivial
With simple survival
And one day we'll all understand . . .

There is no Eden or
Heavenly gates
That you're gonna make it to
One day
But all the answers you seek
Can be found
In the dreams that you dream
On the way.
